## Creston Fish Hatchery

### Creston Fish Hatchery Creston Fish Day May 30, 2008

The Creston Fish and Wildlife Center would like to invite your 3<sup>rd</sup> grade classes to **Creston Fish Day on Friday May 30<sup>th</sup>**.

This year to promote National Fishing and Boating Week, June 1- 8, 2008, we are inviting 3<sup>rd</sup> graders from local schools to visit the hatchery to see displays and learning stations which will include: fish anatomy and identification, fishing equipment and casting, hatchery tours, and interesting exhibits.

We are also having our annual **art contest**. Attached is information about the contest. There will be a 1<sup>st</sup> place prize for one student from each school.

Due to the number of schools wishing to attend this year. we are asking that you RSVP with the number of 3<sup>rd</sup> graders attending so that we can add other schools to our Creston Fun Day if your school cannot attend. Please Call Evie or Sharon **by May 5<sup>th</sup> to reserve your spot**.

Please have your school bus arrive by 8:30 a.m. The events will begin at 9:00 a.m and run until 11:30. Bring a sack lunch and water bottle. Light refreshments will be served from 11:30 until noon. For the grand finale we will have a duck race after lunch. Buses should be able to depart around 12:30.

We have a limited number of students we can take to make the stations successful. Please call to reserve your class.

**You must reserve your 3<sup>rd</sup> grade class by May 5<sup>th</sup> so that we can give other schools the opportunity to attend. Please call Evie at 758-6869 or Sharon at 758-6868.**
